Teresa:

2 Eastern should work for us. Let me know if that works. I will send around a number.

We will send a few talking points/questions from our end tomorrow AM with the understanding that you may not have all of the answers tomorrow.

Thanks and let me know if you need anything else from us before the meeting.

Thanks.

Hart- Would you please tell me times that work for you and Chris to speak with Steve and me tomorrow after 12:00 pm? I am a little under the weather today and I will have limited access to email this afternoon. I will speak with Steve tomorrow morning and then confirm with you the time for our call.

Thank you.
Teresa
